Great Converting Non-Adult Sponsors

The Sponsors listed here, are known to be the best converting Non-Adult sponsors. They have material available for affiliates that is in the main, is very good in SEO terms also. Chose your add content carefully and allways re-name banners including you keywords in the alt image text wherever possible. Just click the listings to join these High paying and converting sponsors. Check back often as this list will be frequently updated.

Azoogole- a great selection of various types of money making adds and offers that will sit comfortably on various site of many subjects. They have a great choise of affiliate material to use from text links, banners, adds, even pre-made mail outs in some cases. Read the specific rules for each product. Some allow email marketing, some do not. They also stock a lot of Free to download stuff for surfers, EG screen savers etc. The surfer gets something for free and you get paid when they chose a freebie! I have found Azoogole to be a great money spinner on many of my sites.

Search the largest database for used domain names

Ever thought of buying an expired domain name, with traffic and pr and pointing it to your site? Try it, It can be a great way of jumpstarting traffic and sales!
